Memorandum

To: Distribution

From: Paul Ferry, P.E.
Highways Engineer

Date: November 27, 2006

Subject: Culvert Excavation - Clarification

I sent a memo dated November 17, 2006 noting that we will no longer be calculating culvert excavation quantities. The memo included the following sentence :

Therefore, the calculation of culvert excavation quantities, including quantities for culvert bedding and foundation material may be discontinued immediately.

This sentence should have been written as follows:

Therefore, the calculation of culvert excavation quantities, including **excavation** quantities for culvert bedding and foundation material may be discontinued immediately.

If you have questions concerning this, please contact Paul Ferry at 444-6244.
